

Caller ID Integration with Clear Computing saves you time and money!

**Without
Caller ID**

**With
Caller ID**

*"Have you called
us before?"*

*"Hi Judy! How can we
help you today?"*

*"Let me look up
your account."*

*"So, you need us
to come out?
We can be there today."*

*"What do you need
help with today?"*

*"No problem Judy!
Your business is very
important to us."*

**Know your clients by name and you earn their loyalty.
It is The BEST customer relationship tool you can use!**

**Answer calls in HALF the time. Caller's account and
location "pop up" on computer before the phone rings.**

**Most cost effective way to increase efficiency. Saves the
average business thousands of dollars annually.**

**What are
other Caller ID
customers saying?**

**"Our customers love it
when we know them by
name! Their account pulls
up automatically, so we
are also able to handle the
calls quicky and easily."**

**"Our clients call us
back because of our
customer service.
Caller ID is the key!
We refuse to do
business without it."**

**"Gives us a heads up
before answering the
phone. Saves time with
every call. We love it."**

**" It makes us look
more professional
because we already
have all the customer's
information in front of
us and can help them
immediately."**

**"Once you get used to it,
you can't live without it.
Everybody should have
Caller ID Integration."**
